

## **FIGHT THAT MONKEY 5:31**

By Erick Hovey

I'm gonna fight that monkey, when I get it off my back (2 times)  
But when it's time for me to go, I won't take one minute back

I'm goin stone cold crazy, right out of my head (2 times)  
I lost my mind, just like my doctor said

Gonna tend to my soul, right after this go round (2 times)  
I'll come back a few more times, then I'll be heaven bound

A dozen steps to freedom, or thirteen to the tree  
Twelve easy steps to freedom and that monkey rides for free  
I'm gonna roll right over, let that monkey carry me

I'm gonna fight that monkey, when I get it off my back (2 times)  
But when it's time for me to go, I won't take one minute back
