

# I'M THROUGH 3:02

By Erick Hovey

It happened to me, could happen to you  
Only one at the rendezvous  
I was thinking everything was cool  
Found myself playin the fool

CHORUS:

Well I'm through, through with love, I'm through  
Yea I'm through with love, beaten down and blue

She took a walk, didn't come back  
Sittin here with my bags all packed  
Look around, troubles what I find  
You can have this love life of mine

CHORUS:

Had so many soulmates, don't know what to do  
So many true loves, played me for a fool  
Theres more waitin out there  
Can't afford another love affair

CHORUS:
