

A FOOL LIKE ME 3:21

By Erick Hovey

Hey now sweet thing, don't you cry
Hey sweet thing, I tell you why
I'm a fool for ya baby, till the day I die

Come on baby, walk with me
The sky is fallin, well come and see
Tonight it's rainin stars on you and me

CHORUS:

A fool like me, likes a fool like you
A fool like me, crazy bout a fool like you
Don't know why but I just can't help myself

Champagne highways, in the sky
Chocolate moonbeams, and pulsar pie
It's rainin down on fools like you and I

CHORUS:
