

MAMAS LITTLE BABY 3:21

By Erick Hovey

Well mamas little baby, went to hear some blues
You know mamas little baby, went to hear some blues
And now her souls on fire, tell everybody the news

Well since mamas little baby heard the blues
Wont take off those dancing shoes

CHORUS:

Ya know mamas little baby, mamas little baby
Yea she's mamas little baby, mamas little baby
Well she's mamas little baby
She's all right with me

Yea she's my rockin, shufflin lover girl
Yea she's my rockin, shufflin lover girl
Now she's droppin in the pocket, all around the world

Well her mamma and her papa, they don't swing
She don't care cause the grooves the thing

CHORUS:

BIG FINISH:

Yea mamas little baby, mamas little baby
Well she's mamas little baby, mamas little baby
Mamas little baby, mamas little baby
Mamas little baby, mamas little baby
Well she's mamas little baby
She's all right with me
