

ASK THE STARS 2:42

By Erick Hovey

Dreams of ice, And frozen wind
And you hang out to dry

CHORUS

Ask the stars, Ask em why
Ask the stars, Ask em why

Moments, moments are rare
Can you spare a minute or two

CHORUS

Ask the stars, What they do
Ask the stars, Ask em why

Souls, In your head and heart
They can break away and fly

CHORUS (1st)
