

**COULD HAVE TOLD ME 4:12**

By Erick Hovey

I've got a spirit guide with an angel face  
She said earth could be my kind of place  
So I was born, and then I died  
And in that time you know I learned to cheat and lie

CHORUS:

She could have told me (4 times)

When I was five years old I went to school  
K through hell I spent breakin rules  
I leamed things, I can't use  
Eighteen long long years is a lot to loose

CHORUS:

They could have told me (4 times)

I had a woman, who had a man  
Why she didn't tell me I can't understand  
I had some money, She had a plan  
Cleaned out my bank account, left with the other man

CHORUS:

She could have told me (4 times)
