

HERE AGAIN 4:00

By Erick Hovey

Haunted remembrance, More than chance
Familiar future, Past romance

Hello stranger, Hello old friend
I believe, I believe we've met again

Faded blushes, Half confessed
Brief communion, Checkered past

Hello stranger, Hello old friend
I can't believe, can't believe it's you again

We'll toast together, Trysts in time
Incarnations, Times and lives

Hello stranger, Hello old friend
I can't believe, can't believe were here again (2times)
