

SWEET FIRE RAIN 2:53

By Erick Hovey

Thanks for wasting my life, Let fire rain (2 times)
Sucked down your drain
Going to blow up the house
Let fire rain

The big ones coming, I'm walking away (2 times)
There's no dilemma
Rewire the brain
And let fire rain
Anger burnin clean
I'm walking away
Let fire rain

CHORUS:

Sweet fire rain (2times)

What's that in the sky? (4 times)
A bird or a plane
It's just my goodbye
Sweet fire rain
What's that in the sky?
It's my goodbye
Sweet fire rain

CHORUS
