

**SHE'S GOT A HOLD ON ME** 3:00

By Erick Hovey

Right or wrong, sometimes we disagree (2 times)  
You know my baby's got a way of, persuading me

Ya know she's got her ways and I got mine  
She's got a move that can change my mind

CHORUS:

She got a hold on me (2 times)  
You know my baby's got a way of, persuading me

She's got her ways and, I got mine  
She's got a way that can change my mind

CHORUS:

Right or wrong, sometimes we disagree (2 times)  
You know my baby's got a way of, persuading me
