

**SLEEP LATE** 2:53

By Erick Hovey

CHORUS:

Sleep late (2 times)

Sleep all day, I'm gonna have some fun tonight

Gonna sleep all day, Gonna play all night  
Be crawlin home when it gets light  
Sleep all day while my body mends  
I don't go home till the party ends

CHORUS:

Sun comes up I go down  
The moon comes out, I'll be round  
Pull down the shades unplug the phone  
Pull up the covers I won't be alone

CHORUS:

Be an early breakfast gonna miss my lunch  
Probably miss dinner, never had a brunch  
I don't wear shades don't have a tan  
Can't do lunch cause I'm an evening man

CHORUS:

Sleep Late (4 times)

I'm gonna sleep all day, gonna have some fun tonight
