

WHAT YOU BLUE ABOUT 2:42

By Erick Hovey

Does your soul shine, when the sun comes out (2 times)

Won't your heart sing, what you blue about?

Does your heart ache, when the moon comes out (2 times)

Won't your heart sing, what you blue about?

Does your soul shine, when the sun comes out

Does your heart ache, when the moon comes out

Won't your heart sing, what you blue about?
